

Welcome to Journey to Bethlehem!

Helpful Information:

- ★ We are so glad you are here! This is intended to be an immersive experience transporting your senses to ancient times. It will be dark and likely very cold. There will be open campfires and torches for warmth and light. Some parts of the experience may be intense. We have Roman guards, large animals and some sudden noises. **Please take this into consideration for sensitive guests of all ages and individuals who experience PTSD triggers.**

- ★ **Wear weather appropriate clothing/shoes.** We work very hard to keep the pathways safe and clear. Be advised that your journey may include snow, rain, ice and/or muddy conditions.

- ★ Each Journey group has 15-20 people (excluding infants <1 yr). Journeys depart every 4-5 min. Upon check in, you will receive an estimated time of departure (ETD) for your assigned group. Please enjoy the music & stories inside while you wait. Alternatively, you may leave and return closer to your ETD.

- ★ **NO flash photography or flashlights;** it scares the animals and disrupts the experience for others.

- ★ **Sorry, no strollers allowed.** Stroller parking available in the lobby.

- ★ **Wheelchairs may be accommodated depending on the conditions of the pathways. No more than 2 per group. Please let the ticketing agent know your specific needs when checking in.**
